The door range available to you is endless... within this brochure you will find our range of route styles and vinyl wrap finishes as well as furniture configurations. There has never been so much choice! **You can choose from any door rout style, with any of the colour finishes** along with any style handle. All doors are manufactured using very high quality vinyls which are exceptionally tough and durable. The print quality of the vinyl is second to none, giving a real depth of colour and wood grain. All furniture is backed by the manufacturers guarantee of 5 years.

The furniture prices are all the same with the exception of shaker style and gloss finishes which carry an additional surcharge. Refresh do not price group their furniture ranges, therefore this gives our clients the freedom of choice in terms of styling of doors, colour finishes, glazing and choice of handles, without limiting their choice on price bands.

Why not contact Refresh [www.refreshinteriors.co.uk/contact.htm](http://www.refreshinteriors.co.uk/contact.htm) for a survey and quotation. During our visit to your home, we will present all the colour swatches and door styles available to you, to truly personalise your new bedroom.
