**Browse through some of the design ideas for your fitted bedroom.  
Below you will find examples of our work and furniture styles and finishes available from Refresh.**

**These include modern and contemporary furniture as well as traditional and country cottage ... something to suit all tastes in style and budget.**

**As well as the traditional hinged door opening wardrobes, Refresh can also supply a range of sliding door options where space is a premium.**

**A range of sliding door options are available in many styles and colours.**

**Sliding door option  
is particularly  
space saving.**

## Hinged door opening wardrobes

**Integrated TVs are becoming a popular feature in the bedroom.**

**If we can draw it, we can make it !**

**Bespoke bedroom cabinets made to measure, utilising storage space under this bay window.**

**Storage utilisation and functionality**

**Walk-in Wardrobes  
and dressing area.**

**Bespoke robes to  
utilise potential  
storage space in  
awkward areas.**

Invite Refresh to develop your ultimate sleeping area and a well thought out fitted bedroom.
